The freight train still rumbles over a hundred cars long, the engine threw the flare on little white bathers, little Picasso horses of the night as dense and tragic in the gloom comes my soul looking for what was there that disappeared and left, lost, down a path--the gloom of love. Nice to see Kerouac's writing of his younger days, pre-Neal Cassady and his life on the road. It's a relatively short novel and explores his relationship with his first serious girlfriend "Maggie Cassidy." It was a quick and enjoyable read.
