Once In A Blue Moon

Rarely, once in a very long time, as in We only see our daughter once in a blue moon. This term is something of a misnomer, because an actual blue moon—that is, the appearance of a second full moon in the same calendar month—occurs every 32 months or so.

Once in a blue moon - Idioms by The Free Dictionary

Actual examples of the moon appearing blue would in fact be the exception that proves the rule, as the 'blue moon' was originally something that was considered not rare but impossible. The two notions, 'a blue moon' and 'the moon is made of green cheese', were synonyms for absurdity, like 'pigs might fly'.
