### **McElroy, Mr. - 5th Grade / Math in Focus**

With American students' math scores falling steadily, it's natural for educators to look to the nations at the top of international assessments for inspiration—primarily Singapore, whose students consistently score at the top among all tested countries in both math and science. Math in Focus is an American math curriculum designed to present the methods and content of Singapore-based

programs in a way that will appeal to kids in the United States.
