Negima!: Magister Negi Magi is probably my favorite manga series so far. The English translation is the best of all the books that I have read. The text flows quite nicely and the story is easy to follow. The artwork, once again, is wonderful and the first story about Library Island was quite a surprise. I loved it.

Negima is Love Hina kicked up a notch. The stories are quite different, Love Hina being about getting into college and Negima being about a 10-year old mage becoming the teacher (not magical, just regular teacher) of a bunch of middle schoolers. But the important thing with Ken Akamatsu's works are the girls, and Negima has about 10x as many.
