As with heaven, near-death experiencers have witnessed numerous variations of hell realms. These hell realms are not for judgment nor punishment, nor are they eternal. They are states of mind which acts as a "time out" condition for reflection, education and purification of negative thought patterns.

Hell and the Near-Death Experience

A castle doctrine, also known as a castle law or a defense of habitation law, is a legal doctrine that designates a person's abode or any legally occupied place (for example, a vehicle or home) as a place in which that person has protections and immunities permitting one, in certain circumstances, to use force (up to and including deadly force) to defend oneself against an intruder, free from ...
