The Fisherman and His Wife. There was once a fisherman who lived with his wife in a pigsty, close by the seaside. The fisherman used to go out all day long a-fishing; and one day, as he sat on the shore with his rod, looking at the sparkling waves and watching his line, all on a sudden his float was dragged away deep into the water: and in drawing it up he pulled out a great fish.

Introduction My grandfather knew everything. Or so it seemed to me - he was a scholar, he spoke 12 languages, worked for NASA and the State Department, could hook up any kind of stereo equipment, and proved that - despite the opinions of some - no matter how far you go in life, you

are helped along that road by your heritage.
