I agree. I don't go any more. I can't find a church that doesn't have a live band, loud speakers that blast people out of their seats, even with one person singing alone accompanied by a piano. the singer has a mic, the piano has a mic, the organ has a mic, and so does any other instrument that was played.

You begin interacting with the thoughts in your head rather than with the person in front of you. Rather than trying to learn who he is and what he's about, you look at his behavior and the things he says as a means to measure how he feels about you... and whether you're getting closer or further away from your goal of having a relationship with him.
