Nikola Tesla: Imagination and the Man That Invented the 20th Century by Sean Patrick - Goodreads — Share book recommendations with your friends, join book clubs, answer trivia

An interview with Nikola Tesla, great inventor, who tells the romantic story of his life. He also describes a method of work he has evolved, which will be of use to any imaginative man, whether he is an inventor, business man, or artist. There were two inventions to my credit before I was six years old. The first was a hook for catching bullfrogs.
