Maternal Desire On Children, Love, and the Inner Life

I recognized that Daphne de Marneffe's sensitive, thoughtful, passionate book, Maternal Desire; On Children, Love, and the Inner Life, was analytic by the time I had read five pages. I knew she must have an analytic perspective when I found her describing the issues that surround the question of how caring for children might fit into one's ...

Maternal Desire; On Children, Love, and the Inner Life ...

Whether you feel called to and/or are employed in a career/job or not, whether you love what you do or not, whether you stay home full time with your children or not, de Marneffe articulates and substantiates pretty well the reality of the surprisingly deep connection a mother feels about the child she loves and the effect of that connection on her.
