### **Management Science The Art Of**

The art of managing is a personal creative attribute of the manager, which is more often than not, enriched by education, training, experience. In fact, the art of managing involves the conception of a vision of an orderly whole created from chaotic parts and the communication and achievement of this vision.

### **How Management is Both Art and Science? Explained.**

Much of the controversy of management being as art or science is on account of the fact that the earlier captains of industry and managers have used intuition, hunches, commonsense, and experience in managing organizations. They were not trained professional managers, although they were very brilliant...

### **Is Management an Art or Science - Discussion - Money ...**

Management as an Art. Art is viewed as: the use of imagination to interpret feelings and ideas, particularly in painting, drawing sculpture, or the skill of creating objects such as paintings or drawings, especially when studying art. In reality, art has nothing to do with objectivity. It relates to collective, mostly, individual subjectivity.
