Jaiku was a social networking, micro-blogging and livestreaming service comparable to Twitter, founded a month before the latter. Jaiku was founded in February 2006 by Jyri Engeström and Petteri Koponen from Finland and launched in July of that year. It was purchased by Google on October 9, 2007.. When Jaiku Ltd was an independent company, its head office was in Helsinki.

Jaiku - Wikipedia

modifier - modifier le code - modifier Wikidata La microéconomie (ou micro-économie) est la branche de l' économie qui modélise le comportement des agents économiques (consommateurs, ménages, entreprises, etc) et leurs interactions notamment sur les marchés. À l'inverse de la microéconomie, la macroéconomie modélise les relations existantes entre les grands agrégats économiques ...

Microéconomie — Wikipédia

Mathematical economics is the application of mathematical methods to represent theories and analyze problems in economics.By convention, these applied methods are beyond simple geometry, such as differential and integral calculus, difference and differential equations, matrix algebra, mathematical programming, and other computational methods. ...
