This VSI tells the story of how scientists have explored the Void and the discoveries that they have made there.

### **Nothing: A Very Short Introduction - Very Short Introductions**

I read a book about nothing, Nothing: A Very Short Introduction by Frank Close, and he found some interesting things to say about nothing. When I requested the book from the library I wasn't entirely sure what it would be about. Philosophy? The concept of zero maybe? Turns out nothing is about physics and it gave my brain quite the workout.
