I got this note from a reader last week: I want to thank you for your wonderful book, "Making Things Move". About three years ago I had an idea for an art piece that required motion... a very slow rotation.

Making Things Move

RAPID is an acronym for the different roles people can have or the activities they take on during a decision-making process. Each letter stands for a specific role or activity; however, people can have more than one letter assigned to them, depending on the nature and context of the decision and the size of the group.
