The Sacagawea dollar (also known as the "golden dollar") is a United States dollar coin first minted in 2000, although not released for general circulation from 2002 to 2008 and again from 2012 onward due to its general unpopularity with the public and low business demand for the coin. These coins have a copper core clad by manganese brass, giving them a distinctive golden color.

Scaling a consulting business is impossible when you're spending too much time working one on one with clients. Because you're working "hands-on" with the client with these types of services, you charge more to make up for the amount of intricacy and attention given to the client.. With a productized offer, there is less time intensity and intimacy involved in the project.
