Solution selling is a sales methodology. Rather than just promoting an existing product, the salesperson focuses on the customer's problems and addresses the issue with appropriate offerings (product and services). The problem resolution is what constitutes a "solution". Solution selling is usually used in sales situations where products are just one of the elements that lead to a solution.

To grow a more sustainable and equitable food future we must start with healthy, thriving and empowered farmers. But when it comes to the conversations that shape our food system—be they in the halls of Sacramento, in classrooms or in corporate board rooms—small farmers rarely get a seat at the table. But some farmers aren't waiting for an invitation.
