Markets Not Capitalism Individualist Anarchism

modes of production are not the results of the market form, but of markets deformed and rigged by a network of state-secured controls and privileges to the business class. Markets Not Capitalism explores the gap between radically freed markets and the capitalist-controlled markets that prevail today. It explains how

Markets Not Capitalism - radgeek.com

Individualist anarchists believe in mutual exchange, not economic privilege. They believe in freed markets, not capitalism. They defend a distinctive response to the challenges of ending global capitalism and achieving social justice: eliminate the political privileges that prop up capitalists.

Markets Not Capitalism | AK Press

The individualist anarchist tendency is alive and well. Markets Not Capitalism offers a window onto this tendency's history and highlights its potential contribution to the global anticapitalist

movement. We seek in this book to stimulate a thriving conversation among libertarians of all varieties, as well as those with other political commitments, about the most fruitful path toward human...
