Definitely worthwhile if you're a malazan completist, but yes, pricey. With a bit of editing, it would have been an excellent intro to the Malazan series. Imnsho, pity it wasn't packaged as a low-cost intro and released EVERYWHERE at a low price.

Night of Knives - Malazan Empire

After finishing Midnight Tides, a book filled with the alien cultures of the Edur and Letherii(my least favorite book in the series so far) I've started to read Night of Knives, and even though I've only just finished the first chapter it feels very "mundane" compared to the rest of the series, both because of the lack of non-human races for the most part and the general smaller scale of the ...
