Break the rules thoughtfully. Most of the time, your writing should fit in with your house style or the style of the publication you're contributing to. But every now and then, you'll need to break the rules. It's common for web writers to break traditional style conventions, because some rules don't read well online.

Writing effective, compelling dialogue has multiple elements. It's not only what characters say but how they say it that matters. Or how you show who's speaking. 'He said' and 'she said' can dull and grow boring if overused. Read other words for said as well as tips for keeping your ...

### **Dialogue Words: Other Words for 'Said' | Now Novel**

Remember, the goal in writing fiction is to keep the reader engaged in the story. But don't give up on writing to spend the rest of your life doing something easier, like finding the Holy Grail, just yet. There's one more key aspect that makes dialogue effective for fiction writers. Problem: The Great He Said/She Opined Debate
