*Metaphors We Live By* George Lakoff, Mark Johnson. It would be hard to overstate how important this work is in contemporary philosophy, to say nothing of the other fields it has influenced. Aside from the more practical implications in understanding the way our minds work, it has some really radical arguments of the sort that would once have ...

### **Metaphors We Live By | George Lakoff, Mark Johnson - b-ok.org**

Basic conceptual metaphors are part of the common conceptual apparatus shared by members of a culture. They are systematic in that there is a fixed correspondence between the structure of the domain to be understood (e.g., death) and the structure of the domain in terms of which we are understanding it (e.g., departure).
