We sought to answer these questions in our new book, Talent Wins, which explores what it takes to build and lead a talent-driven organization. The list of critical priorities, which includes everything from continual, agile reorganization to the reinvention of HR and the creation of an external M&A strategy, is long—and it creates a complex set of challenges for the CEO.

How to Prepare for an Interview. Once you've got an interview scheduled, what do you do next? The common advice is to do your homework, but the term homework is a misnomer. In school, it means answering an assignment for which there are right answers. But in real life, particularly in an interview, you have to prepare much more extensively. No mean task.
