Miserere Jean Christophe Grange

I don't think it's been translated into English yet (I read it in French) but I am sure it will soon - most of his other thrillers have been translated into many languages. This one's typical Grange: out there, weird, shocking, but lacking something.

Miserere - Wikipedia

Enquête sur les mystères de la voix, Miserere étend ses ramifications vers de sombres pages d'histoire, aussi bien que du côté de quelques sinistres perversions tristement humaines. De son style tranchant, maîtrisant comme à son habitude un récit complexe aux intrigues parallèles, Jean-Christophe Grangé interroge plus profondément que jamais les ténèbres de l'âme - son obsession.
