Night Soldiers 1 Alan Furst

Alan Furst has written fourteen books set in Europe in the 1930s and 1940s. They form the "Night Soldiers" series and they are loosely inter-connected but all are also standalone novels in their own right. This is the first book in the series and it differs from the most recent books in both length and scope.

Night Soldiers (Night Soldiers, #1) by Alan Furst

Alan Furst and his series of "Night Soldiers" novels focus the European underground résistance against the Nazis between the years of (give or take) 1932 and 1945, and they have been an absolute pleasure to read and re-read since I discovered him back in 2012. One aspect I appreciate most about the

Night Soldiers masterfully re-creates the European world of 1934–45: the struggle between Nazi Germany and Soviet Russia for Eastern Europe, the last desperate gaiety of the beau monde in 1937 Paris, and guerrilla operations with the French underground in 1944. Night Soldiers is a scrupulously researched panoramic novel, a work on a grand scale.

Alan Furst was unknown to me until my local newspaper ran a story about his current novel, A Hero of France, since he was to appear in person at the next meeting of the paper's book club. I read the review of the book, and it had elements that appealed to me. So I researched all his titles and decided to start at the beginning with Night Soldiers.
