Narrative Medicine: Honoring the Stories of Illness ...

Summary. Charon defines narrative medicine as "medicine practiced with these skills of recognizing, absorbing, interpreting, and being moved by the stories of illness" (4). She calls this a "new frame" for medicine, believing that it can improve many of the defects of our current means of providing (or not) medical care.

Narrative Medicine: Honoring the Stories of Illness - Rita ...

The core elements are what I would summarize as moral generosity (my phrase), coupled with what Charon calls the skills of close reading (her phrase). Narrative medicine begins in Charon's dialogical conception of being human: "We [in this usage, we humans] get to know ourselves as a result of the vision of others, and we [shifting, on my reading,...
