The history of the library is replete with mechanical marvels. More than collections of books, libraries are social, cultural and technological institutions that house the very idea of a society.

Friday essay: why libraries can and must change

While your job is a major part of who you are, it doesn't define your whole being. Potential matches aren't looking for a workaholic — they're looking for someone who can balance a strong career with a meaningful social life, family time, and special interests.

The earliest known evidence of human presence in the area now known as England was that of Homo antecessor, dating to approximately 780,000 years ago. The oldest proto-human bones discovered in England date from 500,000 years ago. Modern humans are known to have inhabited the area during the Upper Paleolithic period, though permanent settlements were only established within the last 6,000 years.

Beet cake (aka Chocolate beet cake) A few weeks ago we published our notes on Red Devils Food Cake (what makes it red) and a reader responded "the beets!" Our survey of recipes published in historic newspapers and cookbooks confirms WWII-era cake recipes sometimes substituted beet sugar for rationed white granules.
