Has Mr. Insatiable finally met his match? Kit Fawkes is Enya's most favorite person in the whole world. She's known him forever, and as her brother's best mate and business partner, she would trust him with her life. But ever since his ex told Enya that he was 'insatiable' in the bedroom, she's harbored a secret curiosity for what that means.

review 1: This was a short and quick read, but an oh-so-satisfying one. The title is a little cheesy, but it works within the context of the book. Kit Fawkes is adorable and easy to love. The steamy scenes are super steamy and leave nothing to be desired.

Mr Insatiable Serenity Woods I received this book free from publisher in exchange for an honest review. I don't gush and give false praise - I don't believe that helps readers or authors so what you read is what I truly feel about a book. I'm new to Serenity's work but love a good romance with a bit of spice and this one was excellent.
