Treat all co-workers with respect - It is important to be fair towards all your co-workers, regardless of who they are and how different they may be from you, be this in cultural and linguistic background or some other area (eg, age, gender, lifestyle, disability, position in the organisation). Treating all workers equally means being inclusive, eg, including them in the conversation.

E February 14, 2016 at 5:45 pm. This article has really helped me. Every time I start to write I create (in my humble opinion) an interesting character that the reader will be intrigued by and who has the potential to do a bunch of read-worthy stuff, but that's as far as I get because I stall when I try and come up with some clever, meaningful plot for them.
