Mitch Horowitz on Occult America

In this way, Spiritualism was both an occult movement and a political one. It attracted the interest and participation of utopians, suffragists, and radicals, because, among other things, it provided a setting in which women—for the first time in American history—could regularly serve as religious leaders, at least of a sort.

Praise. Occult America is a serious, wide-ranging study of all the magical, mystical, and spiritual movements that have arisen and influenced American history in often-surprising ways." "Occult America treats esoteric ideas and movements with an even-handed intellectual studiousness that is too often lost in today's raised-voice discussions about...

Occult America by Mitch Horowitz - Penguin Random House

The chapters in this book seemed like it might have been dull, but it was not. Even to someone well versed in occult history, there was a wealth of information explored very intimately here. A good achievement in esoteric literature. What other book might you compare Occult America to and why? Peter Levenda's "The Secret Temple" is very similar.

Occult America (Audiobook) by Mitch Horowitz | Audible.com

Yet the story of the American occult has remained largely untold. Now a leading writer on the subject of alternative spirituality brings it out of the shadows. Here is a rich, fascinating, and colorful history of a religious revolution and an epic of offbeat history.
