Make Electronics Learning Through Discovery

Make: Electronics is the book that I wish I had owned when I was a young teenager, struggling to learn the basics of electricity and electronics. My goal is to give readers today an easier learning experience than the one I had to go through.

Make: Electronics: Learning Through Discovery: Charles ...

One of the best educational books I've ever read. Very clear, very well organized, a logical progression of ideas. The "Learning by Discovery" approach has to be the best way to really learn this stuff. I'm so happy I've read this, and I'll keep it handy to return to in the future as well.
