When pressured by friends to join the popular online game Nerve, Vee decides to sign up for just
one dare in what seems like harmless fun. But as she finds herself caught up in the thrill of the
adrenaline-fueled competition, the game begins to take a sinister turn with increasingly dangerous
acts, leading her into a high stakes finale that ...

After reading 'Nerve', it's hard to believe that this is Jeanne Ryan's debut novel. It is full of twists,
mystery, suspense and a bit of romance tossed in for good measure. The idea of NERVE, an online
game composed of players doing dares, is a creepy one - especially because it could happen in
today's culture.

Nerve (Movie Tie-In) by Jeanne Ryan, Paperback | Barnes ...

Jeanne Ryan, the author, used peer pressure as well as electronic information, which at times was
hacked private information, to determine what would be a valuable prize to the contestants but to
get into their heads. As for the ending...There was a huge climax, but the last portion of the book
ended quite anticlimactically.
