A woman hides a plot-sensitive item close to her heart—or more accurately, between her (usually large) breasts. Related to the Double Standard, since a man can't reach down there without hilarity ensuing (consequently, women often stuff a small object down there to keep a man from getting at it). May lead to being Nipple and Dimed. Occasionally serves as Hammerspace.

Though season seven of Game of Thrones was generally well-received, a much-maligned aspect of it was its quick pacing—or, more specifically, how it was perceived to rely on timeskips more often and more abruptly than any previous season. Now, thanks to Entertainment Weekly, the writers have finally addressed this charge, which they never had before, explaining why they did what they did and ...
