Norm's life is changed forever on July 4, 1946, by a freak accident in which he loses his left hand. How is he to tie a shoelace, cut his food and manage the myriad of other essential daily tasks, let alone ride a bike and play baseball? The people in his life fall into two categories: those that see only the things he can't do, and those who encourage him to see each problem as a puzzle to be ...
