Community Reviews. In Manalive, a short novel full of events as improbable as the name of the story's protagonist, Chesterton shares his happy secret with the rest of the world—a world that has grown old and weary because it has grown melancholy. The novel starts with a gust of strong wind blowing across England,...

Lecture 22: Manalive. In a sense, Manalive, which was published four years after Orthodoxy, is that romance that Chesterton said he never wrote. This novel is about seeing old things in a new way, of seeing common and expected things in a surprising and fantastic way, and of seeing all things the proper way – which is upside down, the way St.
