MTH203B/204B Geometry | Unit 4 | Lesson 16: Circles Unit Test

unit 5: Perimeter, area, and right triangles If we have a figure, we can take many measurements and calculations. We can measure or calculate the distance around the figure (the perimeter or circumference), as well as the figure's height and area. Even if we have just a set of points, we can measure or calculate the distance between two points.
