Pearson - The Biology Place - Prentice Hall

Performed 30th of April The transpiration lab was completed online and led students through a set of information and questions (answered on a lab packet) about the means and purposes of transpiration in plants.

Virtual Lab Notebook - Leology

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.
