Social and emotional competence provides a foundation for academic success (Zins et al., 2004). Although research suggests that course completion and grades in middle school are the strongest predictors of high school performance and graduation (Farrington et al., 2012), there is increasing evidence that social and emotional competence is also critically important.

Casel Secondary Guide Beta

Every student deserves to learn—and every educator deserves to teach in a safe school. But zero tolerance school discipline policies, which were supposed to make schools safer, have done more harm than good, pushing kids out of the classroom and into the criminal justice system at unprecedented rates.
