For our Weekly Virtual Book Club for Kids we are featuring The Little Blue Truck by Alice Schertle this week! To kick off the week we decided to play around with some farm animal pictures and put together a farm animal puzzle game. This activity introduces a few of the basic animals you might have on a farm and teaches their names.

Baby's First DNA Model. This is a knitted model of DNA, complete with GC/TA base pairs represented by orange-green bars with a pointed join and blue-yellow bars with a stepped join (because there weren't enough stitches to make a wave or curve), replicating the standard simplified DNA model. As you can see from the pictures, it also makes a good toy insofar as it holds its shape while squished ...
