Moo (novel) Moo is a 1995 novel by Jane Smiley. Its setting is a large university, known familiarly as " Moo U " because of its large agricultural college, in the American Midwest. The novel is a satire that uses a sprawling narrative style, following the lives of dozens of characters over the course of the 1989-1990 academic year.

**Moo (novel) - Wikipedia**

A comic novel proves an agreeable change of pace for the ordinarily serious-minded Smiley (A Thousand Acres, 1991, etc.). At an unnamed Midwestern state university familiarly known as Moo U., the academic year 1989-90 is not going well. Budget cuts have been imposed by the state's yahoo governor; the faculty will have to clean their own offices, and food services will be taken over by McDonald ...

Summary. Smiley herself refers to the structure of Moo, with its myriad subplots and couplings, as "an ecosystem," a metaphor underscoring the interdependency of its various constituencies in a hivelike structure of intricate hierarchies and elaborately ritualized behaviors. The main plot complication of the narrative derives from...

Jane Smiley's "*Moo*" June 5, 1995 @ 12:00 pm. This book review was originally published in the Baltimore Evening Sun on June 5, 1995. After shoehorning a vast critique of Western patriarchal society into a single Iowa farm with her *A Thousand Acres*, you'd think Jane Smiley might take a bit of a breather. An intimate, toned-down, between-blockbusters, single-nighter of a book would have ...
