Managerial Economics: Applications, Strategies and Tactics ...

Articles with managerial significance that address current business trends and challenges are of high interest to RBR. Rutgers Business Review publishes novel and original work that deals with current and emerging business problems and provides perspectives, frameworks, and solutions that can be implemented by the business practice.

Call for Papers | Rutgers Business Review

Managerial economics, meaning the application of economic methods to the managerial decision-making process, is a fundamental part of any business or management course. It has been receiving more attention in business as managers become more aware of its potential as an aid to decision-making, and this potential is increasing all the time.
