I recently attended a professional development workshop by Robyn Jackson based on her book Never Work Harder than your Students [order here.] I loved this book and was excited to meet the author! This was part of a series for new teachers created by my school district called: Although I am not a new teacher, I am...

Never Work Harder than your Students- PD Session - Always ...

I don't work harder than the client in psychotherapy, but when I was a clinical case manager I frequently had to. Sometimes it was necessary for the client's continued survival. But I never fooled myself that a client could experience long term change other than through their own commitment and follow through.

An ASCD Study Guide for Never Work Harder Than Your ...

The last [principle] is to never work harder than your students. There's an old adage that says the person working hardest in the classroom is the only person who's learning. The bulk of our work happens before we go into the classroom. It happens in the planning, the preparation, and the provisioning for what we're going to be doing.
