### **Night Star The Immortals 5**

Night Star has some pretty interesting conflicts and tension between characters. I still have quite a lot of questions about immortals versus rogue immortals, one version of the elixir versus another, and overall what's going on in Summerland. The tension built up all the way to the end of this book, which was great!

Ms. Schorr reads NIGHT STAR as brilliantly as she has the four previous novels in the series. It's a real treasure to be able to listen to the same reader through multiple novels in a series. There is a consistency there that the listener comes to rely on. Ms. Schorr's voice becomes Ever, and takes on all the characters just as wonderfully.
