Montessori Madness! A Parent to Parent Argument for Montessori Education by Trevor Eissler. This much-loved and easy to read book is another great introduction to Montessori. Written by the parent of Montessori children it weaves the stories of one family's journey into the teaching of Montessori's hallmarks, including the sensitive periods ...

### **A Montessori Book List for Parents - Montessori Center School**

Montessori Madness is one parent's succinct overview of the philosophy, methods and results of this type of education. Though I believe the author's condemnation of traditional public schooling in the first chapter is a bit overblown, it did provide food for thought, and serve in stark contrast with the radically different world inside a ...
