I have gutters, fascia and soffit being replaced on my home. The gutters have been replaced, but the soffit and fascia have not. I called the company I've contracted to do the work, and was told that it's actually better to replace the gutters first, and they'll come back and do the soffit/fascia later. This seems to go against what I've read online.

### **Should soffit and fascia be replaced after gutters? (Home ...**
