I wrote an article not too long ago called What does an advanced talent acquisition function look like?, and received a fair few calls about it. A lot of the questions were related to building (or redesigning) a talent acquisition team, so I thought it made sense to follow up that piece with a three-part [...]

When we talk about self-labeling by adult websites, we don't mean just "Warning " pages - though ASACP does recommend in its Best Practices that all adult sites feature image-free front/warning pages. Self-labeling with RTA is expressly for the purpose of enabling parents to better protect their children from viewing adult material online.
