I was hoping Maroo of the Winter Caves would be a tie in for my sixth grade class's study of humans in the Ice Age. It started well enough, but by the end of the book my students and I agreed that there was not enough character development or attention to detail to make the novel a worthwhile book for Literature Study.

Maroo of the Winter Caves summary - riassuntini.com

"Maroo" tells a gripping story and makes the hardships of life during prehistoric times come to life. I also liked that the main character was a girl, since I read the book to my daughters. Maroo's younger brother is a central character too, so the story probably works just as well for boys.
