I bought the target your maths Y5 book by Stephen Pearce and this Y5 answer book that was recommended to buy with it. The answer book does not match and does not link with math on target year 5. It is called maths on target y5 instead of target your maths. Do not buy the answer book recommended .

Maths on Target: Year 6: Amazon.co.uk: Stephen Pearce ...

Maths on Target Year 6. The correspondence of the three sections A-C to the objectives for different year groups provides a simple, manageable structure for planning differentiated activities and for both the formal and informal assessment of children's progress. Content pitched at different levels also allows for progression within the lesson.
