Nocturne - by Syrie James. by Jen January 1, 2019 February 1, 2019 0 comments on Nocturne - by Syrie James. Nocturne is "a haunting story of forbidden love". It says so right on the cover. The entire story takes place in just a few days, which is more than enough time for the main characters to fall madly in love with each other.

NOCTURNE, by Syrie James, is a romantic tale of two people stuck in a cabin together during a blizzard storm. As the time ticks by, their desire for each other grows until it becomes overwhelming. The synopsis I read when looking at this book had no indication of being a vampire book.

Nocturne is a bittersweet tale that holds you in its grip from the get go. Ms. James uses not only the paranormal genre but the cadence of the written words to give this book the feeling of a gothic tale like Jane Eyre. To see Nicole come out of her shell and face her fears was wonderful.
