No, They Can't: Why Government Fails-But Individuals Succeed. He also doesn't confront the studies showing that even with civil rights laws, many employers – particularly in the low-wage market – do, in fact, treat blacks and whites with the same credentials differently.

No, They Can't: Why Government Fails-But Individuals Succeed

There is nothing that government can do that we cannot do better as free individuals. —John Stossel in No, They Can't. John Stossel debunks the most revered of society's sacred cows in this spirited New York Times bestseller: our belief that government can solve our problems.

No, They Can't: Why Government Fails-But Individuals ...

review 1: It was an interesting read and certainly introduced new ways of thinking to me that I haven't thought of before. The book is also funny and entertaining, especially when Stossel attacks those that make claims that he disagrees with.Unfortunately, Stossel takes very strong stances on many issues but will only give brief, over-simplistic justifications for many of those stances ...
