### **Oak: The Frame of Civilization | William Bryant Logan**

Oak: The Frame of Civilization. Professional arborist and award-winning nature writer William Bryant Logan deftly relates the delightful history of the reciprocal relationship between humans and oak trees since time immemorial—a profound link that has almost been forgotten. From the ink of Bach's cantatas, to the first boat to reach the New World,...

### **Oak: The Frame of Civilization by William Bryant Logan**

"Oak: The Frame of Civilization" by William Bryant Logan is a sweeping and breathless series of vignettes that examine the relationship between oak trees and man, from a fen in Cambridgeshire to the tanner's stinking vat of hen dung to the defeat of the Spanish Armada. It is a narrative that ranges from deeply personal, such as Logan's experience tasting acorn jelly ("like touching a slug") to intensely historical, such as an examination of coppice woodworking in early Europe.

### **Oak: The Frame of Civilization | Popular Woodworking Magazine**

"Oak: The Frame of Civilization has a broad appeal, ranging across history, shipbuilding, engineering, forestry and anthropology. But it's a comforting tale as well for those of us with the mighty limbs still dangling over our roofs."

### **Oak: The Frame of Civilization by William Bryant Logan ...**

Oak was the material of beautiful Viking ships that flexed like fish and gave ships more speed. Later, the mighty British merchant marine and navy of thousands of oaken ships took over much of the world. Logan tells of the oak's characteristics and the details of construction that provided the great strength needed in stormy, uneven seas.

### **Oak: The Frame of Civilization | Wood Lit Book Review by ...**

Oak: The Frame of Civilization by William Bryant Logan. The ultimate distance race is within your reach—a completely updated edition of the now-classic work.

### **Oak: The Frame of Civilization by William Bryant Logan ...**

Oak: The Frame of Civilization. The story of the oak is the story of civilization. The oak tree is everywhere in the temperate zones of the world; knowing how to use it has made an astonishing difference to human history.

### **Oak: The Frame of Civilization - acornnaturalists.com**

Oak: The Frame of Civilization. A history of the oak tree identifies its significance in religious rites, homemaking, travel, literature, and the outcome of key military conflicts, in an account that documents the communitarian and educational nature of the oak and what it reveals about the natural world's link to science, philosophy, spirituality,...

### **Oak: The Frame of Civilization - William Bryant Logan ...**

On a recent airport layover, I chanced upon William Bryant Logan's Oak: The Frame of Civilization. Totally engaging, Logan's book provided an unexpected background to Oaks in the Urban Landscape , which appeared on my desk shortly after I had finished Oak .
