"Mr. Softee" is the second book by Mike Faricy that I have read and also the second that involved PI Devlin Haskell. Devlin Haskell is a hilarious and very well written main character with his string of ex-wives, his love for drink and bars and he seems more accidentally successful than skilled.

Mr. Softee (Devlin Haskell Mystery, #2) by Mike Faricy

Mike's hapless PI, Devlin Haskell, gives Marlow a run for his money. The story is centred around ice cream (hence the title) where Haskell is engaged by obnoxious ice cream boss, Mr. Softee, (great part for Danny de Vito) to discover who was trying to kill him. The plot weaves this way and that faster than a cone would melt on the equator.

Mr. Softee by Mike Faricy My rating: 5 of 5 stars Review 6***** I received a copy of this book from the author in return for an honest review. This is another Dev Haskell novel. I LOVED IT! Dev Haskell is a skirt chasing, beer drinking, lovable Private Investigator. I love him to bits, but sometimes I want to throttle him too!

Dev is hired by Weldon "Mr. Softee" Sofmann, to find out who tried to kill him. Mr. Softee is the local ice cream mogul that is hated by everyone who knows him, so there is a town full of suspects. As Dev looks deeper into Mr Softee's claim, he finds himself in over his head.

Mr Swirlee (Dev Haskell - Private Investigator, Book 2 ...

Mr Swirlee by Mike Faricy is a good book. It's outlandish at times, and a bit predictable, but it is still enjoyable. There is a bit more profanity than I like in a book and the amount of drinking (and casual sex - no details, thankfully) is insane. The ending is really what ruined it for me, though.
