The low pass safety net option lowers the passing score for students with a disability to 55. A student who chooses the 4+1 pathway may graduate with a local diploma using the low pass safety net option if s/he receives a score of 55-64 on any/all of the Regents examinations required for the diploma including the pathway if it is a Regents exam.

Multiple Pathways Frequently Asked Questions | New York ...

Nutrition is the science that interprets the interaction of nutrients and other substances in food in relation to maintenance, growth, reproduction, health and disease of an organism. It includes food intake, absorption, assimilation, biosynthesis, catabolism, and excretion. The diet of an organism is what it eats, which is largely determined by the availability and palatability of foods.
